

TRANSFER A CONNECTION IN INDANE GAS

change in his records and your future supplies shall then be sent to your new place of residence.

Within the same town --

In case your present distributor does not service your new place of residence, you may approach your [Indanegas](#) distributor with your original Subscription Voucher (SV). The distributor shall prepare a transfer termination voucher (TTV) for the place of your new residence. You can then approach the nearest Indane Distributor serving your new place of residence along with proof of residence, TTV and DGCC booklet (Domestic gas consumer card) The distributor shall prepare a Transfer Subscription voucher (TSV) against your TTV and shall provide you a new consumer number. These details will be updated in your DGCC booklet, (Domestic gas consumer card) .

KYC of the Transferee Proof of Address & Proof of Address Original Subscription Voucher(SV) in Your Name(If SV is missing Please provide affidavit)Declaration from the transferee.

In this case of a shift of residence within the same town you are not required to surrender your equipment. Hence you need to carry your Indane domestic cylinder and pressure regulator to your new residence.

While getting transferred out of town --

In case you are transferred outside the town, you are required to surrender your Indane equipment viz. cylinder and pressure regulator to your Indane distributor. In such a case, you may approach your [Indanegas online](#) distributor with your Subscription Voucher (SV) or

Transfer Subscription Voucher (TSV) as the case may be & Domestic Gas Consumer Card (DGCC) along-with your Cylinder/s and Pressure Regulator. The distributor in turn will prepare a Termination Voucher (TV) in your name for your new place and refund the deposit held against the Cylinder/s and Regulator. You will also be guided to the nearest Indane distributor for future service. At the new place you can approach the nearest Indane distributor for resuming your Indane supplies.
